## Legislative Objectives

- Unclaimed Cremated Remains of Veterans:
  - Goal: Facilitate the honorable burial of the unclaimed cremated remains (cremains) of Virginia veterans in a state veterans cemetery by requiring funeral homes to provide the names of unclaimed cremains to the Department of Veterans Services (DVS). DVS will screen the names to determine eligibility for burial in a state veterans cemetery.
  - Status: Supported by Governor McDonnell. Patrons: Delegates Anderson/Stolle (HB1056); Senators Reeves/Puller (SB433)

## Budget Objectives

- Homeless Veterans:
  - Goal: Reduce and prevent veterans homelessness in Virginia by implementing as many strategies identified in the Joint Legislative Audit and Review Commission (JLARC) 2010 study as state fiscal resources will allow.
  - Status: Governor McDonnell's introduced budget includes \$197,018 and two Homeless Veterans Coordinator positions.

## Administrative Objectives

- Veterans Identification:
  - Goal: Provide a simple, ready means of identification of veterans status for Virginia's veterans by creating a Virginia Veterans ID Card.
  - Status: Supported by Governor McDonnell. Under development by DMV. Target rollout is Memorial Day, 2012.

## Unclaimed Cremated Remains of Veterans

1. **OBJECTIVE:** Facilitate the honorable burial of the unclaimed cremated remains (cremains) of Virginia Veterans in a state veterans cemetery.
2. **BACKGROUND:**
  - The cremains of veterans sometimes go unclaimed by family from funeral homes; the cremains may sit on shelves in funeral homes for years or even decades.
  - The Code of Virginia allows funeral homes to dispose of unclaimed cremains after 90 days, but many funeral homes retain unclaimed cremains for extended periods.
  - The Virginia Department of Veterans Services (DVS) operates veterans cemeteries in Amelia, Dublin, and Suffolk that provide honorable burials to eligible veterans.
  - If a set of unclaimed cremains can be positively identified as belonging to a veteran eligible for burial in a veterans cemetery, then DVS can provide that veteran an honorable final resting place among his/her comrades in arms.
  - While the Code of Virginia allows funeral homes to dispose of unclaimed cremains, it does not require the funeral homes to provide the names of the unclaimed cremains to DVS for determination of veterans status.
  - In an effort to encourage funeral homes to provide the names of unclaimed cremains, DVS signed a Memorandum of Understanding (MOU) in 2009 with the Virginia Funeral Directors Association (VFDA) – one of three funeral director associations in Virginia.
  - The other funeral directors associations did not wish to sign an MOU.
  - Though the MOU with the VFDA has been in effect for two years, few names have been provided by funeral homes to DVS for determination of veterans status.
  - DVS staff members have made a considerable effort to request the names of unclaimed cremains from funeral directors, but have met with limited success, as have the efforts of the non-profit Missing in America Project (MIAP) in Virginia.
3. **DISCUSSION:**
  - Veterans who served our Nation honorably deserve an honorable final resting place among their comrades in arms, not to end up unclaimed and forgotten on the back shelf of a closet in a funeral home.
  - If provided the names of unclaimed cremains, DVS can work with the U.S. Department of Veterans Affairs to identify those belonging to veterans, and can determine if they are eligible for burial in a state veterans cemetery.
  - The Code of Virginia gives funeral directors the authority to transfer the unclaimed cremains of veterans to DVS for honorable burial.

**RECOMMENDATION:** That the General Assembly support the legislation, proposed by the Governor and patroned by Delegate Anderson and Stolle (HB1056) and Senators Reeves and Puller (SB433), which requires funeral homes to provide the names of unclaimed cremains to the Department of Veterans Services, in order to facilitate the honorable burial of unclaimed cremains of Virginia veterans in a state veterans cemetery.

## Reducing Veterans Homelessness in Virginia

1. **OBJECTIVE:** Reduce and prevent veterans homelessness in Virginia by implementing as many strategies identified in the 2010 Joint Legislative Audit and Review Commission (JLARC) study as state fiscal resources allow.
2. **BACKGROUND:**
  - Homelessness has been a long-term issue and now is a growing problem within the population of veterans in the Commonwealth.
  - A 2010 “Point in Time” survey of homeless veterans put the number of homeless veterans in Virginia at 995. Two and a half to three times as many veterans are expected to be homeless at some point in the year.
  - Trends reported by the USDVA, veterans advocacy groups, and social services agencies show that there has been a significant increase in the number of women veterans among the homeless.

- Trends reported by the USDVA, veterans advocacy groups, and social services agencies show that veterans of the conflicts in Iraq and Afghanistan are becoming homeless at a faster rate than did veterans of previous conflicts.
- Governor McDonnell's Executive Order Number 29 seeks to address veterans homelessness in conjunction with Executive Order Number 10.
- In 2010, JLARC documented the estimated size and nature of the problem and provided eighteen potential strategies to reduce and prevent veterans homelessness.
- Governor McDonnell's introduced budget includes \$197,018 (GF) and two Homeless Veterans Coordinator positions.

**3. DISCUSSION:**

- The goal of reducing homelessness among Virginia's veterans may be a long term program.
- Action must be taken to start the process of reducing homelessness and the veterans homeless population provides a strong starting point because of the discipline they share, because they are readily identifiable, and because of the benefits they may incur by participating;

**RECOMMENDATION:** That the General Assembly support the Governor's budget recommendations of \$197,018 (GF) and two Homeless Veterans Coordinator positions.

## Veterans Identification

**4. OBJECTIVE:** To provide a simple, ready means of identification for Virginia's veterans.

**5. BACKGROUND:**

- Veterans who have served in the active military, naval, or air service and who have been released under conditions other than dishonorable receive a Certificate of Release or Discharge from Active Duty, known as a Department of Defense (DD) Form 214, or DD-214.
- Retired service personnel, including those who are medically retired, receive a United States Uniformed Services Identification (ID) Card (DD Form 2 (Retired)).
- Veterans who receive medical care through the U.S. Department of Veterans Affairs (VA) receive a VA ID card. However, only 15% of Virginia's veterans qualify for VA medical care.

**6. DISCUSSION:**

- Veterans who wish to prove veterans status, but who lack a retiree or VA ID card, must show a DD-214 or other discharge papers. However, these documents cannot be conveniently carried on a daily basis.
- Creating a Virginia Veterans ID Card would:
  - Give veterans a quick, convenient way to prove veterans status;
  - Help veterans qualify for commercial discounts (restaurants and other stores) or other cost saving features (such as free access to Virginia's parks or reduced fishing license fees);
  - Potentially help law enforcement officials assist veterans in crisis situations, such as when a veteran may be suffering from post-traumatic stress and other emotional battle scars; and
  - Honor their service to Virginia and the Nation.
- To obtain the Virginia Veterans ID Card, veterans would need to show their DD-214 as evidence of their service and their discharge. Retired service members could present either a DD-214 or retiree ID card.
- DMV already has the statutory authority to create a separate Virginia Veterans ID Card and has agreed to do so. The target roll out is Memorial Day 2012.

**RECOMMENDATION:** That the Governor and General Assembly support the creation of a Virginia Veterans ID Card.
